ALBERT SWANSON returned this morning after spending a three weeks' vacation in San Francisco.

DEPUTY UNITED STATES MARSHAL SAWYER, of Carson City, passed through the city this morning en route to Goldfield, where he will serve subpoenas on witnesses for a case before the federal court.

MISS MARGARET BURNS, nurse of the state hospital at Reno, returned to that city this morning, taking with her Sadie Tom, a 13-year-old Indian girl, who was committed to the institution a few days ago by Judge M. R. Averill.

MRS. LENA STANLEY, daughter of Mrs. John Stratton, left this morning for her home in Vallejo, California.

MISS LOLAINE SIMONS returned to her home in Sacramento this morning after a visit with Miss Gladys Douglas.

MISS FREDA DAoust left this morning for Reno, where she will visit with friends before resuming her position as one of the teachers in the Lovelock schools.

JUSTICE OF THE PEACE HARRY R. ORRER and H. D. KING, candidate for the Republican nomination for state senator, left early this morning for the southern part of the county on political business.

MRS. JOHN CONNOLLY was a passenger this morning for Goldfield, where she will visit with her mother for some time.

W. C. JOHNSON of Currant Creek is spending a few days in the city attending to business matters.

MISS KATE MULLEN of Reno is among the guests registered at the Mizpah hotel today.

GEORGE DILWORTH, superintendent of the Tonopah schools, accompanied by his daughter, Miss Lelia, arrived by auto last evening from Los Angeles, where the family have spent their summer vacation.

Mrs. Dilworth and daughters, Doris and Carmel, will return to Tonopah in a few days.

A. L. MUSSETT and wife and HUGH HERD and wife returned yesterday from Bridgeport and Lake Tahoe. The party report a most enjoyable trip and tell some awfully big fish stories.

FRITZ TORTAURUS, the original discoverer of the great Arrowhead mine, and who is the partner of Pete Fox, returned from Los Angeles this morning, where he has been on a pleasure trip for the past two weeks.

HARRISON'S OFFER HAS FUNNY LOOK

In reference to George W. Harrison's offer to wage \$2500 that an Essex car can be driven from San Francisco to Tonopah in 12 1/2 hours, it appears that Mr. Harrison is not covering Mr. Crumley's money, inasmuch as he insists that whoever takes the car shall ride in the car, while Mr. Crumley offered to bet it could not be done. No doubt Mr. Harrison could find some fool who could risk his life in an attempt to drive the car, but he insists that whoever covers the money shall ride. I back as though he were playing the baby act and making conditions under which he knows that the wager will probably never be taken.

SURPRISE PARTY IS ENJOYABLE AFFAIR

An enjoyable surprise party was given last evening in honor of Violet DeVore at her home at the corner of Prospect street and Hyran avenue by a large number of her friends. After an evening spent at games, dainty refreshments were served. Those present were Ruth Foster, Ruth Dunston, Ruby Shepard, Winnie Connors, Fern Tetrault, Lizzie Davis, Madeline Erickson, Annie Farrar, Vivian Lyons, Leonard Lyons, Lee Roy David, Jim Dryne, T. Dunn, Jack Burgess, Jay Henderson, Stuart Henders, Bold Meyers, Roy McQuillan, John Uren, Douglas Daoust and Lester Daoust.

EXPRESS COMPANIES ASK HIGHER RATES

The express companies operating in this state have filed a supplemental petition for an increase in rates on Nevada business, and the hearing has been set for September 22 by the public service commission. This increase requested is in addition to the application for an increase of 12 1/2 per cent, which was granted on interstate business by the federal commission, and is based on alleged needs to meet the wage increase granted by the railroad labor board.

The average man who has been married 10 years looks like he might have been married 30, but a woman married that long is likely to look like she was married only last month. That may be one of the reasons for divorce.

For justice and equality regardless of race, creed or color, vote for Frank J. Cavanaugh for justice of the peace at the primary election, September 7.

PARENTS OF MRS. RICHARDSON IN CITY

Mrs. Ben Richardson, wife of the superintendent of the Cash Boy mine, returned this morning after spending three weeks visiting her brothers at Corcoran and Fresno, California. She was accompanied by her father and mother, Mr. and Mrs. James A. Nelson, who will recuperate in Tonopah from the extreme heat of the San Joaquin country. Mrs. Richardson says that on the day she left Fresno the thermometers registered 118 degrees, and that all humanity was almost stifled by the intense and persistent heat, which is the worst known in the valley. Mr. Nelson is a gentleman of remarkable memory, and revels in stories of the Civil war, during which he was attached to the United States treasury department, receiving his appointment from President Lincoln, who was a personal friend.

BRYANT WASHBURN AT THE BAKER THEATRE TODAY

The famous insurance firm of Lloyds has the reputation of taking some great betting risks, but in "Love Insurance," the Paramount picture starring Bryant Washburn, which is to be the attraction at the Baker theatre today, they are represented as treading on mighty thin ice when they insure the wedding of an American heiress to an English nobleman, even in these days of such close Anglo-American relations.

The picture concerns the adventures of a young insurance agent who was sent out by his company to promote a wedding between an English nobleman and an American heiress, the company having insured the wedding for a large amount, for the nobleman. A highly interesting situation develops when the young agent himself falls in love with the girl, but on account of his business obligations to his company, is compelled to go ahead and promote her wedding to the other man.

BIBLE SCHOOL IS PROVING SUCCESS

One of the innovations of the religious world is the daily vacation Bible school. The title explains the school itself. The local Presbyterian church has been trying it out for the last three weeks and found it was all that was claimed for it. Scripture is memorized, delightful stories are told having strong moral attached, talks are given on the personal relation of the individual to God and his fellowmen, while almost an hour is given every day in practical manual training, such as sewing, basketry, water-color painting for the girls, and carving and scroll work for the boys, and sand table work and picture sewing card work for the kindergarten. The attendance began with 24 and increased steadily to 41.

The following were the honor pupils: Mary Douglas, Charles Douglas, David Dunsdon, Martha Huber, Mildred Huber, Bertha French, Louise Graham, Alice Morrison, Robert Olson, John Paxson and Vera Paxson.

ANNOUNCEMENT

We are going to move to the Crumley Block on September 1st. This move is necessary in order to provide better facilities for handling our rapidly growing automobile and tire business. We shall make a feature of the Brunswick Tires which we are handling with a guarantee that every tire sold must give satisfactory mileage to our customers. The Brunswick-Balke-Collender Co. are well able to manufacture tires equal to any, and we believe they are doing it. It must be understood that the Brunswick is not a cheap tire, but on the other hand, is a high class article made from the best of materials by skilled workmen. When you become dissatisfied with your tire mileage try one. We still have a few tires that went through the flood which we are selling at 20 per cent reduction. These tires are not damaged, but the wrappers were destroyed and they must be sold to prevent deterioration.

We have one crackerjack Chevrolet 490, delivery body, for \$550.00. It's worth more money. Come in and look at it.
